Description:

This cold weather glove combines a mixture of acrylic loop-in terry cotton liner for warmth, light-weight feel and suppleness. The natural rubber coating on the palm and fingertips protects the hand from abrasion, cutting, puncturing and tearing. The rough textured grip allows slippery objects to be gripped firmly. This durable glove is ideal for all work in cold rooms or outside in cold weather conditions.

Launder at 40°C (104°F) using a neutral detergent.

Suggested Applications:

- Cold Storage
- Cold Weather Construction
- Food Handling
