FEBRUARY 2013

Description:

CRL Wrinkle Finish Rubber Gloves offer improved wet or dry gripping. Natural rubber gives you higher cut and snag resistance, with more flexibility and increased wear. A soft innerlining has been added for comfort. Available in either Knit Wrist or Gauntlet Cuff styles.

Launder at 40°C (104°F) using a neutral detergent.

Suggested Applications:

- Brick and Tile Handling
- Construction
- Glass Handling
- Handling Concrete Blocks
- Inspection
- Landscaping
- Mechanical and Automotive
- Shipping and Receiving
- Wood Handling
